What is AVA?

Your journeys with AVA are now a much more enjoyable, easier and safe experiences. AVA is an Intelligent Car System that; is aware of the driver, acts accordingly to mood of the driver, informs the driver at the start of the day, is activated by a single speech command while driving, helps to educate the driver when necessary, protecting personal security by entering valet mode when someone else is driving, enables the real-time tracking and able to inform the driver by message, records the tracking data and informs the driver, informs the emergency services in the case of an unwanted driver inactivity following an accident by sending the location and the information of the incident, adds pleasure to driving and much more unmatched functionalities.

YOUR ONLY ONE COMMAND IS ENOUGH: HEY AVA !

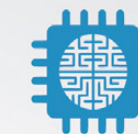

YOU JUST NEED TO SAY "HEY AVA".

"HEY AVA"

VALET MODE

YOU CAN GIVE YOUR CAR TO ANYONE WITH EASE OF MIND. YOUR PERSONAL INFORMATION WILL BE PROTECTED. DURING VALET MODE, IF YOUR CAR MOVES MORE THAN 500 METERS, HE WILL BE CAUTIONED BY THE SYSTEM WITH VOICE WARNING. IT WILL SEND AN SMS TO INFORM YOU. YOU CAN SEE THE LOCATION OF YOUR CAR BY SMS. YOU CAN ALSO SEND A VOICE MESSAGE TO THE DRIVER.

WORD FIRST DOMESTIC ARTIFICIAL INTELLIGENCE

WORD FIRST DOMESTIC ARTIFICIAL INTELLIGENCE AVA AWAITS YOUR COMMAND TO MEET YOUR NEEDS FOR THE DRIVE.

MUSIC SELECTION

DO NOT COMPROMISE YOUR SAFETY TO SEARCH FOR MUSIC ON YOUR DEVICE WHILE DRIVING.

SAY THE SONG OR LIST YOU WANT TO LISTEN TO, LET AVA PLAY FOR YOU. IF THE SONG IS NOT RECORDED IN YOUR SYSTEM IT WILL SEARCH IN YOUTUBE.
